EDUCATION

Heritage School

Jul. 2022-Jan 2027

International General Certificate of Secondary Education (IGCSE), Edexcel, Pearson, UK

Subjects: Bangla, Biology, Chemistry, English Language B, Further Pure Math., Human Biology, Math. A, Math. B, Physics

International Advanced Level (IAL), Edexcel, Pearson, UK

Subjects: Biology, Chemistry, Mathematics, Physics

PREPRINTS, PUBLICATIONS & PRESENTATIONS

- [1] **R. A. Morshed**, M. A. Rahman, M. R. Islam, M. N. Hasan, M. S. Ullah, I. Jahan, M. Parvez, N. Comonichi, M. Aslam (2025). Epidemiology, genotypic diversity and age-specific risk pattern of circulating human papillomavirus in Dhaka City, Bangladesh: a five-year study (2020-2024). *International Journal of Research in Medical Sciences*, 13(7), 2781–2787.[\[Link\]](#) (Publication)
- [2] **R. A. Morshed** et al. (2025). Epidemiology, genotypic diversity and age-specific risk pattern of circulating human papillomavirus in Dhaka City, Bangladesh: a five-year study (2020-2024). Poster Presentation. EUROGIN 2026, Vienna, Austria (Conference Presentation)

RESEARCH & WORK EXPERIENCE

Research Assistant

Dhaka, Bangladesh

Human Genetics Research and Training Centre,

Jan. 2023 – May. 2025

- Conducted qPCR-based detection and genotyping of high-risk HPV from cervical swab samples
- Analyzed and visualized HPV prevalence, genotype distribution, age-wise risk, and seasonal trends using Python
- Developed publication-quality figures to support epidemiological figures from a 5-year dataset (n = 2,049).

Teaching Assistang & Grader, IGCSE Further Pure Mathematics

Narayanganj, Bangladesh

Heritage School

Jan. 2025 – Present

- Assisted instructor in-class by guiding mathematical problems and providing real-time support on course material.
- Held weekly office hours to provide in-depth guidance on working through challenging problems step by step.
- Graded homework and exams by following comprehensive rubrics, offering constructive written feedback.

PROFESSIONAL DEVELOPMENT

Introduction to NGS- DNA

Jan. 2026 - Jan. 2026

Hands-on Training on Sanger Sequencing

Dec. 2024 - Dec. 2024

Core aspects of Sanger sequencing, including DNA extraction, amplification, and sequencing analysis.

Virtual Training Program on Genetic Counseling

Feb. 2025 - Feb. 2025

Understanding of complex genetic concepts and ability to communicate these ideas clearly and empathetically.

Hands-on Training on Clinical & Molecular Cytogenetics (Karyotyping)

Feb. 2025 - Mar. 2025

Understanding of karyotyping techniques, including sample preparation, chromosome staining, and microscopic analysis for chromosomal abnormalities.

Hands-on Training on Real-Time PCR

Understanding of qPCR principles and interpreting data with accuracy.

AWARDS & HONORS

9th Linguistic Olympiad Bangladesh 2022 (National Round Winner).

3rd International Philosophy Olympiad 2025, Bari, Italy (participated).

Bangladesh Philosophy Olympiad 2023 (National Round Winner)

Edexcel International High Achievers' Award 2025

The Daily Star Award 2025

TECHNICAL SKILLS

Python (University of Michigan-Coursera).
